DVA Aged Care

from Department of Defense and Veterans Affairs (DDVA)

Dates Available: Earliest Year Varies - Dec 2016

Cohorts: 1946-51, 1921-26 only

Please Note: About 1% of women in the 1946-51 cohort, and between 25%-27% of the 1921-28 cohort are DVA cardholders. Their records will be missing from the AIHW Aged Care dataset. If analysing Aged Care data it is recommended that Veteran's Affairs Data is also considered.

Ethics Requirements: Before accessing all new researchers require permission from the DDVA ethics committee. Researchers need to provide a CV of 3-5 pages outlining their statistical experience. This CV and an amendment will be sent to DDVA on your behalf. To check if you or your collaborators already have permission to access this dataset, please contact Christine Coleman (c.coleman@uq.edu.au).
