

Field	Description and notes
w_IDMap	unique ALSWH cohort id supplied
source	qhapdc, qcr, pdc
c_Diagnosis_date	Date of cancer diagnosis (ddmmyy)
c_CancerSite	ICD-10AM site code
c_Differentiation	see worksheet "qcr"
c_Morphology	ICD-10AM morphology code
c_BasisofDiagnosis	see worksheet "qcr"
c_DeathDate	Date of death (ddmmyy)
c_CauseofDeath	ICD-10AM cause of death code
c_TumourSize	see worksheet "qcr"
c_Nonodes	see worksheet "qcr"
c_PositiveNodes	see worksheet "qcr"
c_BreastLaterality	see worksheet "qcr"
c_NodalStatus	see worksheet "qcr"
c_SizeStatus	see worksheet "qcr"
c_LesionThickness	see worksheet "qcr"
q_start	Date of admission for episode of care (YYMM)
q_end	Date of separation from episode of care (YYMM)
q_los	Length of stay in days during episode of care
q_mode_sepn	Mode of separation (discharge status, grouped)
q_mode_adm	Source of referral/transfer (admission source)
q_funding_source	Funding source
q_care_type	Care type
q_elective_status	Elective status
q_insure	Hospital insurance status
qPD1	ICD-10AM principal diagnosis
qOD1-qOD39	ICD-10AM other diagnoses - up to 39 per episode
qM1-qM5	ICD-10AM morphology code
qEX1-qEX12	ICD-10AM external cause code
qPR1-qPR43	ICD-10AM procedure code - up to 43 per episode
q_PRdt1-qPRdt33	Procedure dates - up to 33 per episode (please note these are numbered to match procedure and are not always populated)
p_admdate	Mother's date of admission (YYMM)
p_age	Mother's age
p_marital	Mother's marital status
p_prevpreg	Previously pregnant indicator
p_total_prevpreg	Total number of previous pregnancies (only available from 01/07/07)
p_lmp	First day of the last menstrual period , non mandatory so may have blanks (YYMM)
p_antervisit	Number of antenatal visits (01/07/98-30/06/12)
p_nr_prevcaesar	Number of previous caesarean sections
p_all_abort	number of previous pregnancies ,all abortions/miscarriages/ ectopics/ hydatidiform moles (only available from 01/07/07)
p_all_live	number of previous pregnancies, all livebirths (only available from 01/07/07)
p_all_still	number of previous pregnancies, all stillbirths (only available from 01/07/07)
p_anatcare_stat	Flag whether antenatal care received
p_nuchalscan	nuchal scan - obstetric ultrasound type (only available from 01/07/07)
p_morphscan	morph_scan -obstetric ultrasound type (only available from 01/07/07)
p_chorionscan	chorion_scan - obstetric ultrasound type (only available from 01/07/07)
p_smoke_nr	average number of cigarettes smoked average_smoke (01/07/05-30/06/09), superceded by p_smoke_nrb20 & p_smoke_nra20
p_smoke_nrb20	Number of tobacco cigarettes smoked per day during the first 20 weeks of pregnancy (only available from 01/07/09, supercedes p_smoke_nr)
p_smoke_nra20	Number of tobacco cigarettes smoked per day after 20 weeks of pregnancy (only available from 01/07/07, supercedes p_smoke_nr)
p_smoke_stat	smoke_status for the whole pregnancy (available 01/07/05-30/06/09, superceded by p_smoke_statb20 & p_smoke_stata20)

p_smoke_statb20	Tobacco cigarette smoking indicator during the first 20 weeks of pregnancy (only available from 01/07/09, supercedes p_smoke_stat)
p_smoke_stata20	Tobacco cigarette smoking indicator after 20 weeks of pregnancy (only available from 01/07/09, supercedes p_smoke_stat)
p_gest_first	gestation_first_visit (only available from 01/07/09)
p_plurality	Birth plurality
p_baby_order	Birth order
p_lab_onset	Labour onset type
p_induction	Primary reason for induction, single ICD10AM code
p_lab_assist_code	Methods of inducing labour or augmenting labour after spontaneous onset, multiple values foe a birth have been combined
p_delivery	Method of birth , some code value changes from 01/07/07
p_anaes	flag if anaesthesia administered during labour/delivery
p_caesar	Principal reason for caesarean section, single ICD10AM code
p_babyweight	Birth weight in grams (9999 incomplete or not stated)
p_gest_weeks	Gestational age completed weeks
p_baby_sex	sex of baby
p_born_alive	birth status of baby
p_apgar1	Apgar score (1 minute) score out of 10
p_apgar2	Apgar score (5 minutes) score out of 10
p_membrupt_time	collected as total minutes (9999 and 99999 incomplete or not stated)
