

M-PreM substudy – Sydney clinic

Gynaecological Research and Clinical Evaluation (GRACE) Unit
Royal Hospital for Women
Barker Street
Randwick NSW 2031

How to find the GRACE Unit

Parking can be found via **Easy Street** – please follow the signage.

Access to the Royal Hospital for Women is through the Prince of Wales Hospital entrance. This is marked as “Main Entrance” in the middle of the map.

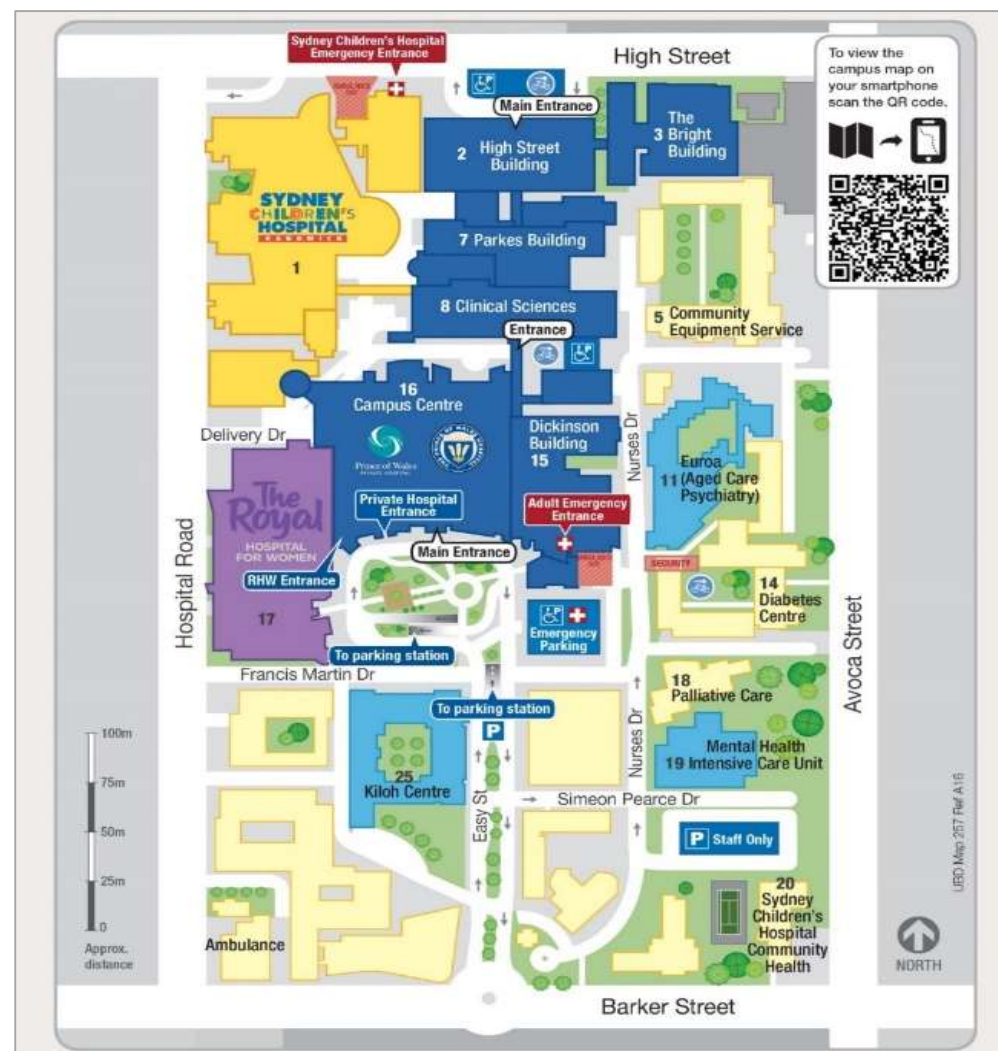

At the **Main Entrance**, follow the instructions regarding the COVID-19 protocol and let hospital staff know that you are present for a research study at the Royal Hospital for Women.

If you enter the hospital campus from **High Street**, you will need to follow the signs towards **level 0**, Barker Street exit, which is the **Prince of Wales main entrance**.

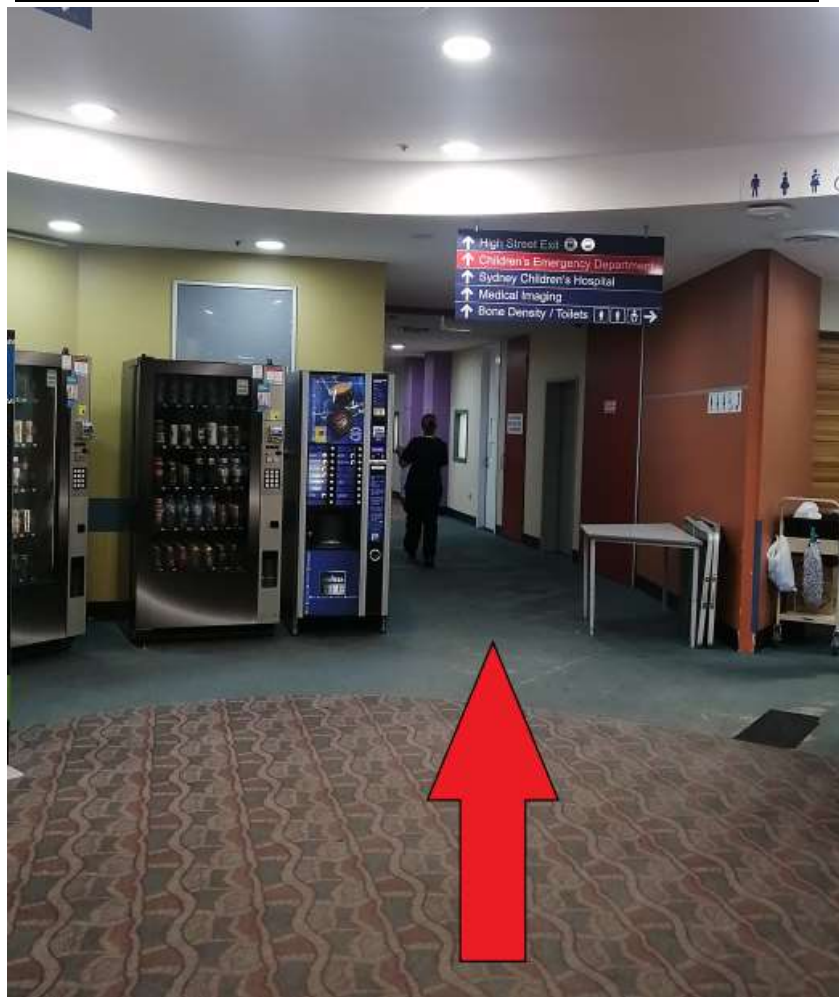

Need to contact us?

Study personnel can be contacted directly on **0456 545 389** on the day of your appointment.

If you are unable to reach us, please call **1800 068 081** (Mon-Fri 8am-5pm AEST).

INSTRUCTIONS TO LOCATE THE RESEARCH ROOM

1. This is the view as soon as you enter to the hospital through the **main entrance**. Proceed towards the corridor to the **right of the vending machines** and follow signs to Sydney Children's Hospital.

2. Right after the vending machines the **first door to your left** is the **GRACE Unit** where the research room is located. If the door is locked, please contact study personnel on 0456 545 389.

3. Once that you are inside of the “**Gynaecology Research (GRACE Unit)/Midwifery Group Practice**” area you will see a corridor to the right of the desk. The door that you see right at the back of the corridor is the **research room**.

4. Feel free to **take a seat** in the waiting room and our research assistant will call you.

Thank you for your participation in the M-PreM substudy!
